Rules for K of C Bingo

No prizes awarded to unstamped cards. Wildcards not in play must be face down. No one under the age of 18 permitted in the Bingo Hall (ID required upon request). Each player must have purchased at least one package to play and to be eligible to win a prize. No splitting of packages between players is allowed. If you have a bingo, call loudly and raise your hand. If missed and someone gets BINGO on the next number, we will split the prize. Once the caller announces a pattern is closed, no further bingos for that pattern will be accepted. In case of duplicate card numbers, only serial numbers purchased this evening will be awarded. Please for the comfort of all guests, no noisemakers are allowed during game play. Please keep your conversations limited during game play. Games may be adjusted based on attendance.

Monitors show the NEXT number in play. Numbers are NOT official until called.
